WHAT'S HAPPENING

- Utility Construction will continue from 12th to 7th. This work will continue throughout 2019.
- Utility construction will continue from 5th Street to Washington. This work will continue throughout 2020.
- Utility construction will consist of both Public and Private utility improvements, upgrades, expansion, relocations and replacements.
- Xcel Energy will continue work between 5th and Washington.
- Xcel will continue work at 8th Street and progress south.

WHAT TO EXPECT

- Public and private utility work requiring the use of heavy equipment that will increase noise, vibration, and dust in work areas.
- Vehicle traffic congestion accompanying lane restrictions on Hennepin Ave. between 13th St and Washington Ave. Traffic will be reduced to one lane in each direction for the duration of utility construction. Lane restrictions will vary by block based on construction activity.
- Pedestrian detours as needed to facilitate construction needs. Greater impacts can be expected at intersections where work is occurring.
- Business access will remain open during the construction activity.
- Changes to Metro Transit. All Buses are detoured to Nicollet Mall. Visit Metro Transit website for specific route information.
- No left turns on or off Hennepin Ave. in certain locations.
- Cross streets will be reduced to one lane at times.
