

HENNEPIN AVENUE

— Reconstruction Project —

Construction Update

Volume 57: December 13, 2020 – January 4, 2021

Full closure

Xcel Energy

Clearway Energy (Formerly NRG)

Partial intersection reduction

CenterPoint gas

Telecommunications

Roadway & Sidewalk work
 Roadway Lighting
 Water
 City sewer

WHAT'S HAPPENING

- Utility construction will continue from 7th Street to Washington. This work will continue throughout 2020 and into early 2021.
- Utility construction will consist of both Public and Private utility improvements, upgrades, expansion, relocations and replacements.
- Xcel Energy will continue work between 5th and 7th.
- Roadway construction on Phase 2, 5th to Washington will begin Spring 2021.
- Plantings/trees installations will begin in Spring 2021 on Phase 1, 7th to 12th.
- Roadway lighting work will continue into winter from 7th to 12th with short term lane closures on Hennepin.
- Private Development work will have lane closures on Hennepin between 3rd and Washington as well as on 3rd Street.

WHAT TO EXPECT

- Public and private utility work requiring the use of heavy equipment that will increase noise, vibration, and dust in work areas.
- Vehicle traffic congestion accompanying lane restrictions on Hennepin Ave. between 13th St and Washington Ave. Traffic will be reduced to one lane in each direction for the duration of utility construction. Lane restrictions will vary by block based on construction activity.
- Pedestrian detours as needed to facilitate construction needs. Greater impacts can be expected at intersections where work is occurring.
- Business access will remain open during the construction activity.
- Changes to Metro Transit. All Buses are detoured to Nicollet Mall. Visit Metro Transit website for specific route information.
- No left turns on or off Hennepin Ave. in certain locations.
- Cross streets will be reduced to one lane at times.
