## WHAT'S HAPPENING

- Roadway construction is on-going from 5th to Washington. Hennepin will be closed.
- Utility construction will continue from 7th Street to 5th St. This work will continue throughout 2021.
- Utility construction will consist of both Public and Private utility improvements, upgrades, expansion, relocations and replacements.
- Private development work will have lane closures on Hennepin between 3rd and Washington as well as on 3rd Street.

## WHAT TO EXPECT

- Public and private utility work requiring the use of heavy equipment that will increase noise, vibration, and dust in work areas.
- Vehicle traffic congestion accompanying lane restrictions on Hennepin Ave. between 13th St and Washington Ave. Traffic will be reduced to one lane in each direction for the duration of utility construction. Lane restrictions will vary by block based on construction activity.
- Pedestrian detours as needed to facilitate construction needs. Greater impacts can be expected at intersections where work is occurring.
- Business access will remain open during the construction activity.
- Changes to Metro Transit. All Buses are detoured to Nicollet Mall. Visit Metro Transit website for specific route information.
- No left turns on or off Hennepin Ave. in certain locations.
- Cross streets will be reduced to one lane at times.
- Increased traffic congestion on 1st Ave. and Washington Ave. detour routes.
