

# HENNEPIN AVENUE

— Reconstruction Project —

## Construction Update

Volume 100: July 24 - July 30, 2022

### WHAT'S HAPPENING

- Hennepin Construction is underway. Hennepin will be closed from 5th to 7th street.
- Utility construction will consist of both Public and Private utility improvements, upgrades, expansion, relocations and replacements.

### WHAT TO EXPECT

- Public and private utility work requiring the use of heavy equipment that will increase noise, vibration, and dust in work areas.
- Vehicle traffic congestion accompanying lane restrictions on Hennepin Ave. between 7th St and Washington Ave. Traffic will be reduced to one lane in each direction for the duration of utility construction. Lane restrictions will vary by block based on construction activity.
- Pedestrian detours as needed to facilitate construction needs. Greater impacts can be expected at intersections where work is occurring.
- Business access will remain open during the construction activity.
- Changes to Metro Transit. All Buses are detoured to Nicollet Mall. Visit Metro Transit website for specific route information.
- No left turns on or off Hennepin Ave. in certain locations.
- Cross streets will be reduced to one lane at times.
- Increased traffic congestion on 1st Ave. and Washington Ave. detour routes.
